<td>Stabbed</td>
<td>Silvana was a migrant, working in the sex industry. In January 2009, the perpetrator -- a 19-year-old man -- was brought to court. The perpetrator stabbed Silvana 39 times with a 30cm-long knife. When he saw that his victim was still moving, the perpetrator smashed the head of the victim with a video recorder. The judge at the Hamburg court referred to the perpetrator's 'absolute desire to exterminate' and described the murder as 'extremely brutal', but declared there was 'no motive'. The perpetrator was sentenced to seven years for manslaughter.</td>
