Name: Anil Aayiramthengu  
 Age: 39  
 Date of Death: 10/05/12  
 Location of Death: Thangassery (India)  
 Cause of Death: throat slit  
 Remarks: Anil was a transgender and queer activist. In the area, where she was living "hate pamphlets" had been distributed before her killing. Activists called the killing "a brutal signal from murdering homophobic patriarchy that trans people/queer people/ non-conforming persons of all kinds have no right to live". Two weeks after the murder, police arrested three suspects, who confirmed the killing. One of them called it a "revenge", because he heard a rumour that Anil was HIV-positive and feared that he got infected because he had sex with her.

 Location of Death: Kathmandu (Nepal)  
 Cause of Death: beaten  
 Remarks: Chyateki was brutally beaten up in the evening around 7:30 pm by an unknown person. The murder was pre-planned and Chyateki was known and visible as a trans person living in the temple area. After the attack she was taken to the Kathmandu Medical College hospital, from where she was referred to Teaching hospital and again she was referred to Bir hospital. Because of shifting from one hospital to another she could not get treatment in time and died. Activists claim that the shifting from one hospital to another had to do with transphobia. They also did organize a protest and tried to file a complaint at the police, but they never get a report and the case was dismissed.

Name: Krissy Bates  
 Age: 45  
 Date of Death: 12/01/11  
 Location of Death: Minneapolis, Linden Avenue (USA)  
 Cause of Death: stabbed, strangled  
 Remarks: The victim was worried about her safety in the weeks leading up to the homicide, because she was sexually assaulted. The murderer was a man the victim met online and started to date for a short time. The murderer confessed that he "dispatched" Bates by strangling her with his hands. He allegedly moved her body to the floor and saw it "jump." He told police he did not want her to "come back," so he took a folding knife from a hutch and stabbed Bates several times, according to the charges. Bates' cause of death was complex homicidal violence, with four stab wounds to the torso and one to the left side of the neck. The victim also had broken ribs, and the hyoid bone in her throat was loosened, a sign of strangulation.

Name: Daisy Dube  
 Age: not reported  
 Date of Death: 02/07/08  
 Location of Death: Johannesburg (South Africa)  
 Cause of Death: not reported  
 Remarks: Daisy Dube identified as drag queen and was shot to death in an execution style. A close friend, who was out that evening with Daisy confirmed the motivation for the killing was their gender identity and that they were not willing to subject themselves to ridicule. The shooting resulted after Daisy and three friends told three men to stop calling them 'isitabane'. Isitabane is an isiZulu term meaning hermaphrodite and is usually used in a derogatory way to refer to LGBT people in townships.
