Name: Krissy Bates
 Age: 45
 Date of Death: 12/01/11
 Location of Death: Minneapolis, Linden Avenue (USA) own apartment
 Cause of Death: stabbed and strangled
 Remarks: The victim was worried about her safety in the weeks leading up to the homicide, because she was sexually assaulted. The murderer was a man the victim met online and started to date for a short time. The murderer confessed that he "dispatched" Bates by strangling her with his hands. He allegedly moved her body to the floor and saw it "jump." He told police he did not want her to "come back," so he took a folding knife from a hutch and stabbed Bates several times, according to the charges. Bates' cause of death was complex homicidal violence, with four stab wounds to the torso and one to the left side of the neck. The victim also had broken ribs, and the hyoid bone in her throat was loosened, a sign of strangulation.
